

## IMD France installed in the heart of Paris

IMD France has established its new headquarters at 53, rue d'Hauteville, Paris 75010.

Located in the heart of Paris' new media scene, this is IMD's service centre for all French clients. IMD France is staffed and equipped for full QC, ingest and making transmission dubs.

IMD France is already servicing French clients for all their international distribution needs, as well as clients from other countries for their deliveries to French TV sales houses and stations, including clearance assistance.
